The Incred-I-Box 3.0 - Tiny Home

The Incred-I-Box 3.0 offers affordability, durability, and customization in available sizes: 8' x 16', 8' x 20', 8' x 24' & 8' x 28', all with the same roofline as the ACE. Designed with innovation in mind, it uses a unique construction method—completely free of fasteners and screws—for enhanced strength and simplicity.

This DIY-friendly model empowers homeowners with options to customize and finish interior spaces to their liking, providing a blank canvas for personal touches.

Key features include an efficient kitchenette, compact bathroom, and low-maintenance materials that ensure longevity and energy efficiency, making it ideal for sustainable, cost-effective living.

Available in:
